

The Middle East Online Trading Summit & Awards 2010

Dubai, 9-10 November 2010 Jumeirah Emirates Towers Hotel

"Investments Strategies & Challenges in a Changing Business Environment"

Wayne McDonell of FX Bootcamp to speak at the Middle East Online Trading Summit

on 9th & 10th of November in Dubai

FX Bootcamp (<http://www.fxbootcamp.com>) has announced its participation in the Middle East Online Trading Summit & Awards 2010 to be held November 9-10 at Jumeirah Emirates Towers Hotel in Dubai.

"The global financial crisis has had a huge impact on residents of the Middle East, from volatility in commodity prices to the devaluation of the Petrodollar." says Chief Currency Coach, Wayne McDonell, "It is critically important to have various strategies in place to hedge this exposure to risk and I am excited to share them with attendees of the expo".

Mr. McDonell will provide two educational seminars at the expo, discussing how to trade gold, oil and the US Dollar in 2011. In addition, FX Bootcamp has been nominated for the Middle East Forex Trading Expo award "Best Education Provider".

"During the past year, we have witnessed events in the global economy with record decline and struggling times for many industries," said Katia Tayar, founder and president of ARABCOM Group. "However, there is a dynamic energy that kept business going – the online trading industry."

About FX Bootcamp

FX Bootcamp (<http://www.fxbootcamp.com>), is a live forex training organization that teaches traders how to develop conservative trade plans based on technical and fundamental analysis, as well as addressing the psychological aspects of being a trader; all in real-time while the market is moving. FX Bootcamp is a Member of the National Futures Association and registered as a Commodities Trading Advisory firm.
