"FXCM MENA announces their participation as the Main Sponsor in the Middle East Online Trading Summit"

[FXCM MENA \(Forex Capital Markets Middle East & North Africa\)](#) is proud to be one of the first Forex brokers to announce its participation and sponsorship of the Middle East Online Trading Summit & Awards 2010.

This event is produced by the Arabcom Group, a leading organizer of Forex related exhibitions and conferences in the region, and will be held at the Jumeirah Towers Hotel on November 9th & 10th, 2010.

FXCM MENA has previously partnered with the Arabcom Group as a Main Sponsor at the 6th Middle East Trading Expo & Conference which was held on May 20-21 in Beirut, and is happy to join forces once again as the Main Sponsor of the Middle East Online Trading Summit & Awards in Dubai.

FXCM MENA has recently launched new services such as [Trading Over the Phone](#), a service catering to busy traders who seek a professional trading desk to execute their trades for them, as well as [Mobile Trading](#).

The FXCM MENA team will be present to meet and to discuss in detail with regional traders these and other products & services available as well as trading topics in general.

FXCM MENA looks forward to meeting its own clients as well as other trading enthusiasts on November 9th & 10th in Dubai.

About FXCM Holdings LLC

FXCM Holdings LLC (FXCM) is a global forex and CFD broker that caters to both retail and institutional markets. Founded in 1999, FXCM is regulated by several of the world's most respected financial authorities.

At the heart of FXCM's client offering is No Dealing Desk forex trading. Clients have market access to FXCM's large network of forex liquidity providers that enables FXCM to offer clients spreads as low as 1 pip on major crosses. Clients also have the benefits of mobile trading, one-click order execution, and trading from real-time charts. Forex Capital Markets Limited's CFD product offers no re-quote trading and allows traders to trade oil, gold, silver, and stock indices, along with forex on one platform. In addition to currency and CFD trading, FXCM offers educational courses on forex trading, and provides free news and research through DailyFX.com. Trading foreign exchange and CFDs on margin carries a high level of risk, and may not be suitable for all. [Read full disclaimer.](#)
